CONTAINMENT PURGING DURING NORMAL PLANT OPERATION

Dear Mr. Schwencer:

We have reviewed your letter dated November 28, 1978, and its attachments, which are related to containment purging during normal operation at our H. B. Robinson Steam Electric Plant. During preparation of our responses to your requests for information, we have found that we require additional time to prepare appropriate responses which will thoroughly address your questions. Accordingly, we request an extension of our submittal date to January 19, 1979.

Should you have any questions on this matter, please contact our staff.

Yours very truly,

E. E. Utley
Senior Vice President
Power Supply
