Dennis,

Please see the two missing documents at the attachment , i.e. 38 Federal Register 18261 and the CDC Functional Statement of the Office of the Chief Operation Officer (CAJ) referenced in the second paragraph of the CDC Statement of Intent Letter.

Respectfully submitted,
Paul

Subject: RE: Delegation of Authority for DFP

Hi Paul,

Attached are the revised documents. The justification for Sherri to sign is a bit shaky, but may be sufficient. The fallback would be for Dr. Frieden to sign, but I think the documentation of the 1973 plan would be the same. The annual budget submission document is under Dr. Frieden's name. I think Sherri could use some background before signing. I'm happy to participate in a discussion with her and see if she is comfortable.

Thanks!

Deborah.

Dr. Meechan,

After much searching, I have located the section of the CDC Delegations of Authority (attached in pdf) that we need to complete the Decommissioning Funding Plan. However, we will need to have Sherri Berger, Chief Operating Officer, sign both the Certification of Financial Assurance memo and the Statement of Intent. By position, Sherri Berger is listed on the CDC Delegations of Authority as the person given the authority to approve funding for radiological decommissioning activities. Her signature on each document will satisfy the regulatory requirements, and there will no issues with further delegation of authority down to Mr. Milton Brown, CFO. Additionally, we will not consider getting signature authority further up the CDC management chain.

I have already vetted this through Mr. Dennis Lawyer, NRC License Reviewer, and he agrees with this course of action to bring us into compliance with NRC regulations.

Respectfully,
Narvaez

Narvaez,

Dr. Meechan called and has other suggestions and indicated that we should not have to seek the CDC Director's assistance about a "reference document".

I think that he does have a good point.

Thank you,

Paul

PS Dr. Meechan wanted to know if Dennis Lawyer turned down the documentation forwarded to us from Mr. Brown.

Subject: Delegation of Authority for DFP

Paul,

I spoke with Mr. Dennis Lawyer earlier this week regarding our lateness in providing the Statement of Intent and the Certificate of Financial Assurance to complete the Decommissioning Funding Plan (DFP). He brought to my attention that because we are already 24 months late in providing a complete DFP we would most likely receive a Notice of Violation when we are next inspected by the NRC. He also informed me that this could possibly lead to a civil penalty if the delinquency persists.

Since we have experienced difficulties in securing the proper Delegation of Authority documentation to validate the Statement of Intent with Mr. Milton Brown's signature, I suggest that we prepare a Statement of Intent with Dr. Frieden's signature. A Statement of Intent with Dr. Frieden's signature would not require a Delegation of Authority since he is the CDC Director. I mentioned this to Mr. Lawyer and he agreed that a Statement of Intent with Dr. Frieden's signature would not require the Delegation of Authority handbook or reference to it, and would satisfy the requirements.

Please advise.

Respectfully,
Narvaez

NOTICES

18261

These authorities may be redelegated within the restrictions specified within pertinent DHEW manual instructions or other issuances.

Pending issuance of redelegations by the Assistant Secretary for Health, all delegations or redelegation to any other officer or employee of any office, bureau, division, center or other organizational unit which were in effect immediately prior to July 1, 1973, shall continue in effect in them or their successors.

This delegation becomes effective July 1, 1973.

JAMES B. CARDWELL,
Assistant Secretary, Comptroller.

Dated June 27, 1973.

[FR Doc.73-13793 Filed 7-3-73;8:45 am]

DIRECTOR, CENTER FOR DISEASE CONTROL

Delegation of Authority

I hereby revoke the delegations previously made by me to the Administrator, Health Services and Mental Health Administration, insofar as such delegations pertain to the functions assigned to the Center for Disease Control in the Reorganization Order effective July 1, 1973.

I hereby delegate to the Director, Center for Disease Control, all authority delegated to me by the Secretary of Health, Education, and Welfare which pertains to the functions assigned to the Center for Disease Control by the Reorganization Order effective July 1, 1973.

These authorities may be redelegated.

Pending issuances of redelegations, all delegations or redelegations to any other officer or employee of any office, bureau, division, center or other organizational unit which were in effect immediately prior to July 1, 1973, shall continue in effect in them or their successors.

This delegation becomes effective July 1, 1973.

Dated June 18, 1973.

CHARLES C. EDWARD,
Assistant Secretary for Health.

[FR Doc.73-13790 Filed 7-3-73;8:45 am]

DIRECTOR, NATIONAL INSTITUTES OF HEALTH

Delegation of Authority

I hereby revoke the delegations previously made by me to the Administrator, Health Services and Mental Health Administration, insofar as such delegations pertain to the functions assigned to the National Institutes of Health in the Reorganization Order effective July 1, 1973.

I hereby delegate to the Director, National Institutes of Health, all authority delegated to me by the Secretary of Health, Education, and Welfare which pertains to the functions assigned to the National Institutes of Health by the Reorganization Order effective July 1, 1973.

These authorities may be redelegated.

Pending issuances of redelegations, all delegations or redelegations to any other officer or employee of any office, bureau, division, center or other organizational

unit which were in effect immediately prior to July 1, 1973, shall continue in effect in them or their successors.

This delegation becomes effective July 1, 1973.

Dated June 18, 1973.

CHARLES C. EDWARD,
Assistant Secretary for Health.

PUBLIC HEALTH SERVICE

Reorganization Order

Under the authority of section 6 of Reorganization Plan No. 1 of 1953 and section 2 of reorganization Plan No. 3 of 1965, and pursuant to the authorities vested in me as Secretary of Health, Education, and Welfare, I hereby order the reorganization of the Public Health Service which shall consist of five health agencies as hereinafter provided. The Health Services and Mental Health Administration is hereby abolished. Its functions shall be performed by three separate health agencies which are hereby established: the Center for Disease Control, the Health Resources Administration, and the Health Services Administration. There are hereby transferred: To the National Institutes of Health, the National Institute of Mental Health, formerly a part of HSMHA; to the new Health Resources Administration the Bureau of Health Manpower Education formerly a part of the National Institutes of Health; to the Center for Disease Control the National Institute for Occupational Safety and Health, formerly a part of HSMHA. The lead-based paint poisoning and rat control functions formerly in the Bureau of Community Environmental Management, HSMHA will be performed by the Center for Disease Control.

SECTION 1. Organization. The Public Health Service shall consist of the Office of the Assistant Secretary for Health and the following health agencies:

- (1) Center for Disease Control;
- (2) Food and Drug Administration;
- (3) Health Resources Administration;
- (4) Health Services Administration;
- (5) National Institutes of Health.

The restructured Public Health Service shall be under the direction, and control of the Assistant Secretary for Health, who shall also serve as the principal Health Officer of the Department, and within the Office of the Secretary serves as principal advisor to the Secretary on all health matters.

FUNCTIONS AND RESPONSIBILITIES

Office of the Assistant Secretary for Health. The Assistant Secretary for Health shall be responsible for the direction and control of the functions herein assigned to the restructured Public Health Service. The Assistant Secretary for Health is also responsible for providing leadership and guidance for health-related activities throughout the Department and for maintaining relationships with other governmental and private agencies concerned with health.

Center for Disease Control. The Center for Disease Control shall be responsible for all of the functions presently assigned to it and to the National Institute for Occupational Safety and Health, as well as the functions for the prevention of lead-based paint poisoning, the rat control programs, and the Arctic Health Services Research Centers assigned to the former Bureau of Community Environmental Management.

The Center for Disease Control shall be headed by a Director who reports to the Assistant Secretary for Health. The Center for Disease Control shall carry out its responsibilities through the following Office of the Director and the newly established bureau-level organizations which shall perform those functions formerly carried out by those organizational units listed thereunder:

Office of Director
National Institute for Occupational Safety and Health

(All of the presently assigned functions)

Bureau of Epidemiology
Epidemiology Program
Bureau of Laboratories
Laboratory Division

Bureau of State Services

State and Community Services Division
Bureau of Community Environmental Management (only lead-based paint poisoning, rat control, and the Arctic Health Services Research Center functions)

Smallpox Eradication Program

(All of the presently assigned functions)

Training Program

(All of the presently assigned functions)

Tropical Disease Program

Malaria Program

National Clearinghouse for Smoking and Health

(All of the presently assigned functions)

Ecological Investigations Program

(All of the presently assigned functions)

Food and Drug Administration. The Food and Drug Administration shall be responsible for all of the functions presently assigned to the Food and Drug Administration. The Food and Drug Administration shall continue to be headed by a Commissioner who reports to the Assistant Secretary for Health.

Health Resources Administration. The Health Resources Administration shall be responsible for a monitoring, intelligence, assessment function on health status and the performance of the health delivery system; health services research and evaluation; development and testing of health delivery innovations; and development, testing and dissemination of methods for measuring and assuring the quality of health care; supporting recruitment and training of professional and non-professional personnel. Consistent with these functions, the Health Resources Administration will be a primary source of technical and professional assistance to the Assistant Secretary for Health and to the Department of Health, Education, and Welfare in policy analysis and policy research.

The Health Resources Administration shall be headed by an Administrator, who reports to the Assistant Secretary for Health. The Health Resources Administration shall carry out its responsibilities

18262

NOTICES

through the following Office of the Administrator and the newly established bureau-level organizations which shall perform those functions formerly carried out by those organizational units listed thereunder:

Office of the Administrator
National Center for Health Statistics
National Center for Health Statistics
Bureau of Health Services Research and Evaluation
National Center for Health Services Research and Development
Regional Medical Programs Service
Bureau of Health Resources Development
Bureau of Health Manpower Education
Comprehensive Health Planning Service
Health Care Facilities Service
Office of Long-Term Care Services

Health Services Administration. The Health Services Administration shall be responsible for providing and financing the delivery of health services through grants, contracts, and direct delivery; for integrating service delivery programs with public and private health financing programs; for administering State formula grant-supported health service programs; and for assuring quality and containing costs of services provided through the public financing programs.

The Health Services Administration shall be headed by an Administrator, who reports to the Assistant Secretary for Health. The Health Services Administration shall carry out its responsibilities through the Office of the Administrator and the following newly established bureaus and services which shall perform those functions formerly carried out by those organizational units listed thereunder:

Office of the Administrator
Indian Health Service
(All of the presently assigned functions)
Federal Health Programs Service
(All of the presently assigned functions)
Bureau of Community Health Services
National Center for Family Planning Service
Maternal and Child Health Service
Community Health Service (except for the Office of Long-Term Care Services and the Division of Medical Care Standards)
National Health Service Corps
Health Maintenance Organization Service
Bureau of Quality Assurance
Division of Medical Care Standards

National Institutes of Health. The National Institutes of Health shall be responsible for all of the functions previously assigned to the National Institute of Mental Health as well as the functions presently assigned to the National Institutes of Health, including the National Library of Medicine, but excluding those functions previously assigned to the Bureau of Health Manpower Education.

The National Institutes of Health shall continue to be headed by a Director, who reports to the Assistant Secretary for Health.

Sec. 2. Continuation of regulations. Except as inconsistent with this Reorganization Order, all regulations, rules, orders, statements of policy, or interpretations with respect to the Public Health Service heretofore issued and in effect prior to the date of this Reorganization Order or to become effective subsequent to said date, are continued in full force and effect.

Sec. 3. Prior statements of organization, functions, and delegations of authority. To the extent inconsistent with this Reorganization Order all previous statements of organization, functions, and delegations of authority, as well as applicable present chapters of the Department's Organization Manual, are hereby superseded by this Reorganization Order, except that, pending further redelegations, respectively, by the Assistant Secretary for Health, the Assistant Secretary for Administration and Management, and the Assistant Secretary, Comptroller, all delegations to the Administrator of the former Health Services and Mental Health Administration are vested, for their respective organizational components, in the Director, Center for Disease Control; the Administrator, Health Resources Administration; the Administrator, Health Services Administration; and the Director, National Institutes of Health, with authority to redelegate, consistent with this Reorganization Order and the provisions of the respective delegation. All redelegations made by the Administrator of the former Health Services and Mental Health Administration or the Director, National Institutes of Health, to any other officer or employee of any office, institute, bureau, division, center, regional office, or other organizational unit in effect immediately prior to the effective date of this Reorganization Order shall continue in effect in them or their successors pending further redelegation.

Sec. 4. Redelegations of authority. The authorities delegated, respectively, to the Assistant Secretary for Health, the Assistant Secretary for Administration and Management, and the Assistant Secretary, Comptroller, may be redelegated as deemed appropriate. Such redelegations may be successively redelegated, except as any delegation may be explicitly limited.

Sec. 5. Funds, personnel, and equipment. Transfer of organizations and functions effected by this Reorganization Order shall be accompanied in each instance by direct and supporting funds, positions, personnel, records, equipment, supplies, and other resources.

Effective date. This reorganization Order shall be effective July 1, 1973.

FRANK CARLTON,
Acting Secretary.

JUNE 29, 1973.

[FR Doc. 73-16788 Filed 7-8-73; 8:45 am]

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

Office of Assistant Secretary for Housing Production and Mortgage Credit

[Docket No. N-73-180]

RELOCATION COSTS FOR LEASED HOUSING PROJECTS

Notice of Unavailability of Funds

The purpose of this notice is to make it clear that, subject to the detailed provisions set forth below, no local housing authority (LHA) is authorized to enter into any leasing arrangement as part of a HUD assisted leased housing project under the United States Housing Act of 1937, unless the dwelling units are vacant or unless the owner voluntarily undertakes liability for any relocation costs and provides assurance of funding for such purpose.

There is no available source of HUD funds which can be programmed for leased housing projects assisted under the United States Housing Act of 1937 for the payment of relocation costs, including costs of relocation assistance and payments, under the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970. It is therefore a matter of urgency that this notice be issued and become effective at the earliest possible date. For these reasons, it has been found to be impractical and contrary to the public interest to publish this notice for comment by the public, and it has further been found to be necessary that this notice shall take effect upon publication.

LEASING OF EXISTING HOUSING

1. Except as provided below, no LHA is authorized to enter into an agreement to lease or a lease for any dwelling unit which is occupied on the date the agreement to lease or lease is entered into unless the occupant will continue to reside in the same unit under the LHA's leased housing program. In the case of a unit alleged to be vacant, the agreement to lease or the lease, as the case may be, shall contain a certification by the owner substantially as follows:

The owner certifies that this unit is vacant and has been vacant since before the date of execution of this document. This certification is made subject to penalty under 18 U.S.C. 1001, which provides, among other things, that whoever knowingly and willfully makes or uses a document or writing containing any false, fictitious, or fraudulent statement or entry, in any matter within the jurisdiction of any department or agency of the United States, shall be fined not more than \$10,000 or imprisoned for not more than five years, or both.

2. (a) Where an agreement is entered into for the leasing of units as they become vacant through normal turnover (or a lease which contains provisions to the same effect), the procedures in (b) and (c) of this paragraph shall be complied with. Normal turnover as used

OFFICE OF THE CHIEF OPERATING OFFICER (CAJ)

(1) Provides mission and values-based leadership, direction, support and assistance to CDC's programs and activities to enhance CDC's strategic position in public health; ensure responsible stewardship; maintain core values; optimize operational effectiveness of business services; and institutionalize accountability for achieving management initiatives; (2) directs the conduct of operational activities undertaken by Agency program support and management service staff, including, among others, facilities and real property planning and management; grants, procurement and materiel management; human resources management; information technology and systems planning and support; internal security and emergency preparedness; and management analysis and services; (3) manages the planning, evaluation, and implementation of continuous improvement and reengineering initiatives and adoption of innovations and technologies in these areas and ensures that they are undertaken in a comprehensive and integrated manner and with consideration of strategic implications for human capital planning; (4) maintains liaison with officials of DHHS responsible for the direction and conduct of DHHS program support and management services functions; (5) participates in the development of CDC's goals and objectives; (6) provides assistance to DHHS officials and to CDC's CIOs to assure that the human resources of CDC are sufficient in numbers, training, and diversity to effectively conduct the public health mission of CDC; (7) provides direction for the Agency's ethics program and activities associated with Departmental and Presidential management initiatives; (8) provides direction in establishing accountable measures for financial management of both budget estimating and execution processes agencywide; and (9) provides guidance and ensures compliance with the budget priorities established by the Office of the Director, CDC. (Approved 02/23/2012)

Office of the Director (CAJ1)

(1) Manages and directs the activities and functions of the Office of the Chief Operating Officer; (2) provides guidance and support in the conduct and evaluation of program support, business services, and management activities performed for or by Centers/Institute/Offices; (3) participates in the development of CDC's goals and objectives; (4) advises and assists the Director, CDC, the Chief Operating Officer, and other key officials on all aspects of the mission, activities and functions of the Office of the Chief Operating Officer; (5) resolves and responds to external inquiries of current fiscal year funding expenditures; (6) plans and coordinates facility management issues, problems and changes, and physical security issues; and (7) plans and coordinates the implementation of various federal administrative, statutory, regulatory, and policy requirements.
