Re: Amendment to Radioactive Material License

The Heart Center of Lake County would like to amend license 1332260-01 as to remove the following:

1. We would like to remove authorized user Tulsi Sawlani M.D. for material and use for bi-product material for 10 CFR 35.100 and 35.200.
2. We would like to change the entity name of the license to Methodist Physician Group/Methodist Hospital (formally known as The Heart Center of Lake County).

We thank you for your review of this amendment request. We are enclosing supporting documentation of name change of entity. If you need any further clarification or information, please advise.

Sincerely,

Michael McCullough (administrator)
