SUBJECT: PREPARATION OF CALENDAR YEAR 2015 INSPECTION SCHEDULE

Dear Mr. Pritchett:

We are preparing the inspection schedule for calendar year 2015. In doing so, we would appreciate knowing the following information to facilitate our preparation:

- Outages
- Any significant modifications or equipment refurbishments
- Inspections by other agencies
- Plant holidays
- Availability of key staff, such as, OPS, Maintenance, HP, EP, and Security. We intend to use the approximate same time periods from last year to perform the inspections. If key staff will be unavailable during those time periods we will schedule the inspection for another time
- Any local events that may preclude us from getting hotel space
- Graded EP Exercise dates

Please respond by August 15, 2014. Should you have any questions regarding this request for information please contact David Hartland (404) 997-4722 with any questions.

Sincerely,

/RA/
