Date Rec'd: 7/30/14  
Specialist: Mark Graff  
Related Case: \_\_\_\_\_

>

> Dear FOIA Officer,

>

> Under the Freedom of Information Act, I would like to request a copy of the contract or interagency agreements that the NRC has secured with DOE and the International Epidemiology Institute, Vanderbilt University, National Council for Radiation Measurement and Dr. John Boice for the One Million Radiation Worker and Atomic Veteran Study." Please includes any correspondences with DOE and updates that you have received through the arrangement detailing studies performed and costs incurred.

>

> As a member of the media, please be sure to place this request in the proper fee category. I prefer hard copy, but will accept electronic records to avoid copying fees. You can send the information as it becomes available in multiple responses to avoid delays.

>

> I understand that I can expect to receive this in less than 20 days under the FOIA rules.

>

> Sincerely,

>
