Case No.: 2014-0365
Date Rec'd: 7/30/14
Specialist: Stevens
Related Case:

Dear Margo-san,

Good afternoon.

Thanks for your informing, I could be aware of the newly released records.

(The postal services always delay and responsive letter arrived just yesterday.)

I always appreciate your professionalisms and kind words. At this moment, I have no question on this request.

But I would like to submit another FOIA office, concerned about Japanese government's LIASON OFFICERS activity, disclosed in this July under Japanese FOIA.

That is, All the communications including E-mail, FAX, Telephone call, but not limited to them, between USNRC and Figures Below.

- 1 Yokode Hiroki
- 2 Toyookashi Akashi
- 3 Teraoka Takashi

All of the figures above are Japanese officials worked on http://en.wikipedia.org/wiki/National_Diet_of_Japan_Fukushima_Nuclear_Accident_Independent_Investigation_Commission .

For reference, please see my NEWS site (If necessary, please google translate it.)

I Request Fee Waivers on the Ground same as I had been submitted. But if they were not sufficient to your office decisions or included some ambiguity, I will update.

Highest Regards,

Takanori Eto
