Subject: Notification letter, License #06-31445-02E

Dear Mr. Carrico:

This is a notification letter regarding Radium Lampenwek, the manufacturer of the Kr-85 lamps which LSI is licensed to distribute under NRC License # 06-31445-02E. Radium Lampenwek is relocating their manufacturing from Germany to Hungary at Lighttech Kft. in Dunakeszi Hungary. The technical specifications for lamps we receive from their new location will be the same as described in our prior license application correspondence. The applicable drawings for the Kr-85 lamps that we receive and distribute will be unchanged. All of the equipment and processes used to produce the lamps will remain the same.

If any additional information is required, please let LSI know.

Regards,

Janos Kovacs
Vice President- Administration and Manufacturing Operations
