MEMORANDUM TO: Commissioner Magwood

FROM: Annette Vietti-Cook, Secretary **/RA/**

SUBJECT: COMWDM-14-0002 – IMPROVING SAFETY AND REGULATORY EFFECTIVENESS BY ENHANCING THE NRC’S FRAMEWORK FOR RISK-INFORMED DECISION MAKING

This memorandum is to inform you that your proposals to direct the staff to develop a proposed rule to require operating reactor licensees to submit probabilistic risk assessment (PRA) information to the NRC and requiring those licensees to maintain and update these PRAs as is required for new reactor applications under 10 CFR 52.79(a)(46) and 10 CFR 50.71(h), and to update the Commission’s PRA Policy Statement, were not approved.¹

This completes action on COMWDM-14-0002.
