Memorandum

To: Thomas Allen, M.D., Radiology
From: Steven H. King, ^{SWK} Secretary, Subcommittee on Human Use of Radioisotopes
Date: October 2007
Re: Approval for nuclear medicine procedures.

The Subcommittee on Human Use of Radioisotopes reviewed your request to become an Authorized User of radioisotopes for nuclear medicine procedures. Based on your certification by the American Board of Radiology with Special Competency in Nuclear Medicine, your certification by the American Board of Nuclear Medicine and your previous experience with nuclear medicine procedures, you are hereby granted approval as an Authorized User for all diagnostic and therapeutic nuclear medicine procedures under license number 37-13831-01 of the U. S. Nuclear Regulatory Commission and under license number PA-127 of the Commonwealth of Pennsylvania.
