Re: Request for additional information for amendment request on July 8, 2014 to change ownership of license 1332260-01.

Dear Sir or Madam:

The Heart Center of Lake County, P.C. would like to transfer control of its Byproduct Materials License, Number 13-32260-01, to Methodist Physician Group/Methodist Hospital. In accordance with Appendix G of NUREG 1556, Volume 9, Revision 2, please accept the following description of the transfer of control.

1. The Heart Center of Lake County entered into an asset purchase agreement with The Methodist Hospitals Inc and will here on be known as the Methodist Physician Group/Methodist Hospital. This name change was approved by the town of Merrillville.
2. The phone number and telephone number of a licensee contact whom NRC may contact will remain the same.
3. There will be no changes in personnel or duties in regards to the transfer of control. The Radiation Safety Officer and Authorized Users will remain the same with the exception of recent change request of removing one authorized user.
4. The transferor will not remain in a non- licensed business after the transfer of the license.
5. The Heart Center of Lake County entered into an asset purchase agreement with The Methodist Hospitals Inc and will here on be known as the Methodist Physician Group/Methodist Hospital. This name change was approved by the town of Merrillville.
6. There will be no changes in the organization, location, facilities, equipment, or procedures that relate to the licensed materials.
7. There is no change in the use possession, location or storage of the licensed materials.
8. There are no changes in organization, facilities, equipment, procedure or personnel that would require a license amendment.

9. The surveillance program that is currently in place complies with USNRC regulations.
10. We confirm that all records concerning the safe and effective decommissioning of the facility will be maintained at the current address of use listed on License Number 13-32260-01. These records include documentation of surveys of ambient radiation levels and fixed and/or removable contamination, including methods and sensitivity. If the License is terminated in the future, the records will be transferred to (Methodist Hospital) 8701 Broadway Merrillville, Indiana 47904 or the USNRC, as appropriate.
11. These records include documentation of surveys of ambient radiation levels and fixed and/or removable contamination, including methods and sensitivity
12. There will be no changes in the organization, location, facilities, equipment, or procedures that relate to the licensed materials.
13. We confirm that the transferee will abide by all commitments and representations previously made to NRC by the transferor. The transferee accepts full responsibility for the site. The transferee is committed to decontaminating the facility. The transferee accepts full responsibility for open inspection items.
14. There will be no changes in the organization, location, facilities, equipment, or procedures that relate to the licensed materials
15. The transferee commits to abide by all constraints, conditions, requirements, representations and commitments identified in the existing license.

If there are any questions concerning this license amendment, please contact me directly at (219) 738-5598. Thank You.

Sincerely,

Gary Dillon M.S.
Radiation Safety Officer
