Hi Lori

We will call the supplier to see if there is a firm delivery date established. Typically we can make a good estimate of when the materials will be delivered to the US but at times the deliveries have been tied up awaiting FDA/customs clearances. You may want to hold off on establishing a 9/9 clinic until we get better information on delivery. Annette or I will get back to you as soon as we hear something from our supplier.

Thanks
Trish

Good morning Annette,

Just wondering if you have any update as to the delivery of the new tablets to PA? We have now planned for 9/9 as the clinic date for KI distribution.

Thanks,
Lori

Hi Lori,

At this time I do not have a definite delivery date for you. The August 7th date might be a little close, just in case there are any problems with manufacturing equipment, clearing customs, etc. I can let you know as soon as I hear something from our contractor.

Please let me know if you have any questions.

Thank you,
Annette Stang

Annette,

Just an FYI that our community health systems bureau plans to have open clinics to distribute the new tablets on August 7.

Thank you,
Lori Gutierrez

Hi Lori,

We are placing orders this week and the contractor has up to 90 days to deliver, although it could be sooner. I will be in touch with you when the tablets arrive in MD. Our contractor will contact your POC to schedule delivery.

Please let me know if you have any additional questions.

Thank you,
Annette Stang

Good Afternoon,

The address for delivery is:

Department of Revenue Warehouse
711 Gibson Blvd.
Harrisburg, PA 17104

The hours for delivery are limited to 7:30 – 3:30. The warehouse closes at 4:00 pm
Tom Buszta, the DOH Logistics Coordinator, would need to be contacted in advance of the delivery so he can be present to accept the delivery. His email is tbuszta@pa.gov or 717.346.0640. We are at a different location and it takes approximately 15 minutes travel time to get to the warehouse.

Do you have any estimation when this order would be shipped?

Thank you for your assistance,
Lori Gutierrez

Good Afternoon Ms. Gutierrez,

We are currently placing orders for KI tablets for the State of PA, could you please send me the delivery address and POC and any special instructions you have for delivery?

Thank you,
Annette Stang
