STRATA ENERGY, INC'S MONTHLY UPDATE TO INITIAL MANDATORY DISCLOSURES

Pursuant to 10 C.F.R. § 2.336(a) & (b), Strata Energy, Inc. (Strata) hereby submits its August 4, 2014, monthly update to its mandatory disclosures for this proceeding:

1. Potential Testifying Witnesses

In its July 2, 2014, mandatory disclosure update, Strata provided its current witness list. Strata has not yet confirmed whether each identified witness will present initial written testimony. If additional witnesses are identified that are not on the current witness list, Strata notes that its initial written testimony will identify additional witnesses.

2. Documents and Data Collections

Strata's initial mandatory disclosure submission included a detailed breakdown of documents that potentially will be relied upon during the administrative hearing process. Strata also attached a PDF file containing a document list for disclosure in its July 2, 2014, mandatory disclosure update, along with ADAMS accession numbers and attachments. Additional documents are attached to this submission to complete Strata's mandatory disclosures. To the extent that additional documents will be used to supplement Strata's initial statement of position, such documents will be included on the exhibit list attached to that submission currently due on

August 22, 2014. Per applicable regulations, I certify that these disclosures are correct to the best of my knowledge.

Respectfully submitted,

/Signed (electronically) by/ Christopher S. Pugsley
