Subject: Request additional information for change of ownership  
(NOTE: This will be used as the Documents Title in ADAMS)

I spoke with Michael Sarrao, Executive Vice President & General Counsel, of Alecto Healthcare Services Fairmont, LLC, to request additional information about their purchase of Fairmont General Hospital. I asked if the sale went through today (August 1) and he said it had not—the target date is now September 8. I asked if the buyer was Alecto Healthcare Services Fairmont LLC or Alecto Healthcare Services. Mr. Sarrao indicated that the buyer would be Alecto Healthcare Services Fairmont LLC, and that they had filed with the State of West Virginia that this be their fictitious name (the business term for assumed name). He said he would provide me with documentation on this. I asked what name should go on the license and he said it would be “Alecto Healthcare Services Fairmont LLC dba Fairmont Regional Medical Center.” I asked that Mr. Sarrao put this in writing. I also tried to determine if Alecto Healthcare Services is a known entity before the change of ownership (possibly by having a NRC or Agreement State license). Otherwise, we may need to do a pre-licensing visit. Mr. Sarrao said he thought the parent company (Alecto Healthcare Services, based out of Los Angeles, California) may have two State of California licenses (one being Olympia Hospital). He said he would look into this and provide me with that information, the official name change, and documentation of the fictitious name.

Action Required: Wait for additional information before processing amendment for change of ownership.
