REFERENCE:       **NRC Export License No. XSOU8787**

Dear Sir:

URENCO, Inc. is licensee of the above referenced export license for the export of natural uranium in the form of uranium hexafluoride from the United States, and wishes to amend (extend) such license. Please find enclosed our completed application for NRC Export License Amendment (NRC Form 7). I understand the fee for such amendment is \$4,400, and have completed the Authorization for Payment by Credit Card for payment of the application, which I have also enclosed.

The changes to the license are as follows:

Extend the term of the license from December 31, 2014 to December 31, 2017.

Increase the quantity of kilograms of Natural Uranium in the form of Uranium Hexafluoride from 52,000,000 kilograms to 62,000,000 kilograms.

Amend the information on Foreign Obligations (Item 11), as listed on page 3 of the application.

No further changes to the license are being made by this amendment.

If you should have any questions about the requested license amendment, please call me at (703) 682-5204.

Sincerely,

Robert H. Deak  
Manager, Marketing & Sales
