Docket No. 50-293  
Re: License No. DPR-35

Local 387, Utility Workers Union of America, AFL-CIO voted overwhelmingly to approve a new contract with Entergy Nuclear Generation Company and voted to accept Boston Edison Divestiture Agreement. This action effectively addresses the concern expressed by the Local in its joint petition for Leave to Intervene and Request for Hearing filed on Doc. 50-293 of February 16, 1999.

Formal revocation of our petition will be forthcoming.

Very truly yours,

Francis J. Toland  
President
