Subject: Request additional information for change of ownership

(NOTE: This will be used as the
Documents Title in ADAMS)

Dr. Amit Rastogi, the President/CEO of PriMed, LLC, cosigned an amendment request letter informing the NRC that both PriMed licenses should be merged into one license under the new ownership of Northeast Medical Group, Inc. (NEMG). I contacted Peter Logue, the Executive Director of NEMG, to get additional information. He confirmed that the sale went through on June 1. He confirmed that NEMG was owned by Yale-New Haven Health Services Corporation d/b/a Yale New Haven Health System (the owner of other NRC licensees Yale-New Haven Hospital, Bridgeport Hospital, and Greenwich Hospital). I asked him if this was a direct sale to NEMG or an indirect sale to Yale New Haven Health System. He believed it was the former, but he said he would confirm that for me. The amendment request letter had also stated that they wanted both Radiation Safety Officers (RSOs) to remain in place for the two locations. I explained to Mr. Logue that there could only be one RSO named on the license. He said they would determine which RSO would remain and he would inform me by email correspondence.

Action Required: Wait for additional information before processing amendment for change of ownership.
