Dear Sir:

This is a notification letter, stating that Byproduct Material License No. 21-32843-01, issued June 2012, has not received or used any radioactive materials in the last 24 months. As of this day, there are current negotiations to make use of this license. We expect a decision to be rendered before the end of this fiscal year (September 30<sup>th</sup> 2014), with enough time to notify and process the determination.

If there are any questions please call our physicist Ray A. Carlson, M.S. at (734) 395-7361 cell.

Sincerely,

Arif H. Hakim, M.D.
