SUBJECT  
Additional Information Needed for License Termination

SUMMARY

In NRC Form 314, "Certificate of Disposition of Materials," dated May 21, 2014, you have requested to terminate your NRC license and you stated that all licensed materials have been transferred to another licensee. In order to complete our review of your request, we will need to the following additional information:

A) Please provide a copy of the license for the company who is purchasing the gauge, showing that they are licensed to receive this material.

B) Please provide documentation that shows that the company who has purchased the gauge has received the gauge, and has possession of the device.

C) The NRC Form 314, "Certification of Disposition of Materials," does not appear to be signed by a senior management certifying official. Please provide either a new NRC Form 314 or a cover letter, signed by a senior management representative.

ACTION REQUIRED (IF ANY)

Please submit your response by July 11, 2014, and reference it to my attention as "additional information to control number 583947" to facilitate proper handling in our office. Your response must be currently dated and signed by a senior management representative. If you have any questions or require clarification of any of the information stated above, please do not hesitate to contact me at 630-829-9607

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.
