Hi Dara,

The afternoon of Wednesday, August 27, seems to work best here. Would 1-2pm that day work for you and the others? We could also do 2-3pm that day, if that works better. If not, let me know and I'll try to set something up for another day.

Thanks,
Mike

Hi Mike
I just got through with discussing the draft that you sent with our Hudson River Biology experts and we have questions would like to have a clarification call to discuss with you before finalizing the RAI. Due to next week's Annual AFS Meeting in Quebec, can we set something up for the week of 8/25 (8/26 excluded)? Please let me know.
Thanks
