**BELL BEND NUCLEAR POWER PLANT
CONFIRMATION OF RECEIPT OF EMERGENCY
PLANNING LETTERS OF AGREEMENT
BNP-2014-099 Docket No. 52-039**

Reference: 1) BNP-2014-084, R. R. Sgarro (PPL Bell Bend, LLC) to U.S. Nuclear Regulatory Commission, "Completion of Emergency Planning Action 10 CFR 50, Appendix E, Paragraph IV.A.7", dated June 23, 2014.

Via the referenced letter, PPL Bell Bend, LLC (PPL) notified the NRC that actions required by 10 CFR 50 Appendix E, Paragraph IV.A.7 regarding written agreements with Offsite Response Organizations (OROs), had been completed. At that time, however, PPL was still awaiting ORO responses on some of these Letters of Agreement (LOAs). Accordingly, the referenced letter contained a commitment to confirm receipt of those remaining responses.

The purpose of this letter is to provide that confirmation. All of the remaining responses have been received. The Enclosure provides an updated list of ORO LOAs in Appendix 3 of the Bell Bend Nuclear Power Plant Emergency Plan reflecting this result by deletion of the footnote * provided in the previous submittal.

There is one new regulatory commitment in this letter:

1. Update the Emergency Plan as described in the Enclosure in a future revision of the COLA.

Should you have any questions, please contact the undersigned at 610.774.7552.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on August 5, 2014

Respectfully,

Rocco R. Sgarro

RRS/kw
