Hello Lymari,

I apologize. I had two amendments confused. Please find a corrected letter attached.

Best regards,

Tim Thomas

Mr. Thomas,

In your cover letter you indicate that the registration certificate number is NR-1302-D-103-S. The amendment request I am working on is for SSD NR-1302-D-101-B. Please clarify.

Subject: Request for Additional Information

Mr. Thomas,

This is in response to your e-mail dated June 13, 2014, requesting an amendment to your registration certificate NR-1302-D-101-B. In order to complete your request we need the following information.

1. Please indicate if the prototype testing performed for the approved device is still applicable and that no detrimental effects will be caused as a result of the design change to the cover of the source capsules.
2. Please provide the dimensional units for the labels in drawing No. 960009440-A.

The information should be submitted in an official company letter via facsimile at 301-415-5955 or as an attachment to an e-mail.

Please submit the requested information within 30 days of the date of this e-mail. If we have not received complete information within 30 days of the date of this email we will consider your application amendment request as abandoned by you. This is without the prejudice to the submission of a complete application.

Sincerely,
Lymari Sepulveda
