Subject: Additional Feedback #3 on Group B meeting ~Sept 10, 2014

George,

Additional feedback on Chapter 6 part of the AREVA-proposed agenda for the upcoming Group B meeting:

Missing from the list is:

- In "key technical issue: GSI-191," missing is RAI 524, Question 06.02.02-127 should include NPSH and RISK insights appropriate for Chp19
- In "key…GSI-191," missing is RAI 475, Question 06.02.02-87
- In "key…GSI-191," missing is recognition of confirmatory items RAI 569, Questions 06.02.02-136 and -137, and RAI 546, Questions 06.02.02-132 & -133.
- In "key…GSI-191," the ACRS meeting actions bullet might be expanded to specifically identify actions so that we can be aligned.

- In "key…severe accidents," on RAI 597, Question 06.02.02-35 (survivability), the NRC is not sure what AREVA is proposing to close this open RAI. COL item?
