Hi Dara,

I just wanted to check in and see if you had any success in speaking with the biologists about a possible date for the teleconference call.

Please let us know.

Thanks,
Kim

Thanks Mike

I have still not heard back from the biologists (who are up at the AFS Conference in Quebec), so Wednesday isn't looking too likely. Have a good vacation!

Kim - I will keep you posted.

Dara,

As I mentioned before, I will be out next week. In my absence, Kim Green is going to cover setting up the phone call for me. Kim can be reached at 301-415-1627.

Thanks,
Mike

Hi Dara,

The afternoon of Wednesday, August 27, seems to work best here. Would 1-2pm that day work for you and the others? We could also do 2-3pm that day, if that works better. If not, let me know and I'll try to set something up for another day.

Thanks,
Mike

Hi Mike

I just got through with discussing the draft that you sent with our Hudson River Biology experts and we have questions would like to have a clarification call to discuss with you before finalizing the RAI. Due to next week's Annual AFS Meeting in Quebec, can we set something up for the week of 8/25 (8/26 excluded)? Please let me know.

Thanks

Dara Gray REM
