(Provide a general description of the records using items commonly used by the staff familiar with the records.)

Decommissioning Files

DETAILED INVENTORY OF RECORDS BEING TRANSFERRED

For each individual folder, binder, report, tape, etc., sufficient description to permit retrieval. Provide all identifying numbers that apply to the material (e.g. docket number, case number, contract number, form number, etc.). Provide the date span of each item as well as any date needed to apply the disposition instructions (e.g. license terminated 01/31/90, case closed 01/31/90, etc.). Double space between items in the same container. Triple space when beginning a new container. If more space is required, use NRC for 35A, 'Records Transfer Continuation'.

DETAILED INVENTORY OF RECORDS BEING TRANSFERRED

For each individual folder, binder, report, tape, etc., sufficient description to permit retrieval. Provide all identifying numbers that apply to the material (e.g. docket number, case number, contract number, form number, etc.). Provide the date span of each item as well as any date needed to apply the disposition instructions (e.g. license terminated 01/31/90, case closed 01/31/90, etc.). Double space between items in the same container. Triple space when beginning a new container.
