Re: Tritium Exit Signs

Dear Linda:

This letter is to confirm that Liberty Centennial Holdings, Inc. has returned the two exit signs (model number BX10GY; serial numbers 264147 and 264148) installed in our hangar at 12435 Liberty Blvd., Englewood, CO 80112, to SRB Technologies, Inc., located at 2580 Landmark Dr., Winston-Salem, NC 27103, for disposal. We verified that SRB Technologies, Inc. received these signs on July 31, 2014.

Our electrician, Facility Solutions Group, located at 5050 Osage St., Denver, CO 80221, ordered two new signs from SRB Technologies, Inc. to replace the two existing signs referenced above. The two new signs (Betalex-E Series Model 171; serial numbers C113463 and C113464) were installed by Facility Solutions Group on July 23, 2014.

Regards,

Marci Prinzi
