**Importance:** High

Good morning,

I would like to acquire the complete and full **Material Licensing Tracking System (MLTS)** list.

This list will contain sites which possess or use radioactive materials and are subject to NRC licensing requirements.

If you could kindly provide this list in Excel, Access, csv or txt format and delivered via email that would be greatly appreciated.

If you have any questions at all please do not hesitate to contact me. Thank you for your time and I look forward to hearing from you.

Best,
