Dear Mr. Howe:

The Office of Federal and State Materials and Environmental Management Programs has received the letter dated September 9, 2014, from Todd Carpenter transmitting the Oregon final regulations to incorporate RATS ID: 2007-1 and 2009-1 in response to NRC's letter dated March 6, 2014. The review has been assigned to David Spackman and it is our goal to complete the review within 60 days.

If you have any further comments or questions, please contact me. Thank you for your attention.
