PART I.B -- INFORMATION NOT LOCATED OR WITHHELD FROM DISCLOSURE

- No agency records subject to the request have been located. For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.
- Certain information in the requested records is being withheld from disclosure pursuant to the exemptions described in and for the reasons stated in Part II.
- This determination may be appealed within 30 days by writing to the FOIA/PA Officer, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001. Clearly state on the envelope and in the letter that it is a "FOIA/PA Appeal."

PART I.C COMMENTS (Use attached Comments continuation page if required)

Please note that the enclosed records are already available for public inspection and copying in the NRC Public Document Room. The incoming FOIA request is available in public ADAMS as ML#13254A014. Records with an ML Accession Number are publicly available in the NRC's Public Electronic Reading Room at <http://www.nrc.gov/reading-rm.html>. If you need assistance in obtaining these records, please contact the NRC's Public Document Room (PDR) at 301-415-4737, or 1-800-397-4209, or by email to PDR.Resource@nrc.gov. Because you have informed us that you do not have internet access, we have enclosed copies of them. Please also note that, because your request for a fee waiver was denied and you declined to pay any search or duplication fees, we limited our search and copying to the two hours and 100 pages that are provided to "non-expected requesters") without charge under NRC's FOIA regulations, at 10 C.F.R. 9.39. In addition, no charges are incurred if the total amount due is less than \$25. The records that we have enclosed relate to that part of your request that asks for records relating to firearms qualifications; if you are interested in the requests that particular licensees may make, you may submit a new request. The licensees are identified in document A/4.
