CATEGORY 3: This is a Category 3 Meeting: Public participation is actively sought for this meeting to fully engage the public in a discussion of regulatory issues.

The U.S. Nuclear Regulatory Commission’s (NRC’s) Policy Statement, “Enhancing Public Participation in NRC Meetings,” effective May 28, 2002, applies to this meeting. The policy statement may be found on the NRC Web site, www.nrc.gov, and contains information regarding visitors and security.

Pre-registration:

Seating may be limited and will be available on a first-come basis. Inform the NRC's meeting contact of your intention to attend by October 3, 2014. This will ensure that sufficient copies of meeting materials are available.

If you need a reasonable accommodation to participate in this meeting (e.g. translator, handicapped accessibility) or need this meeting notice or other information from a meeting in another format (e.g., Braille, large print, a language other than English), please notify the NRC's meeting contacts. Determinations on requests for reasonable accommodations will be made on a case-by-case basis.

Teleconferencing:

Interested members of the public unable to attend the meeting in person may participate by telephone via a toll-free teleconference. For additional details, please call or e-mail one of the NRC meeting contacts listed on this meeting notice. Those interested in participating in this meeting by teleconference should contact the meeting contacts as soon as possible, but no later than October 3, 2014.

Web conferencing:

Interested members of the public who are unable to attend the meeting may participate remotely on the internet and via a toll-free audio teleconference bridge-line. For additional details, please call the NRC meeting contact listed on this meeting notice or call the NRC's toll-free number, 1-800-368-5642, and ask the operator to be connected to the meeting contact, Jason Carneal. Those interested in participating in this meeting by Web conference should call or e-mail the meeting contact as soon as possible, but no later than October 2, 2014. Because meetings are sometimes canceled or rescheduled as a result of unforeseen circumstances such as severe weather, confirm the meeting schedule with the meeting contact.

PARTICIPANTS:

NRC staff, interested stakeholders, and members of the public. Participants from the NRC include members of the NRC's CER Working Group. Other participants will likely include NEI, other industry representatives, and members of the public.
