RE: Response to Control 584576
 NRC License No. 21-32745-01

To Whom It May Concern:

This correspondence is in response to Control 584576, containing request for two additional pieces of information.

In response to item 1.:
 TriMedia only used cesium-137 and americium-241 under NRC License No. 21-32745-01. We never possessed any californium-252

In response to item 2.:
 A letter from U.P. Engineers & Architects, Inc. is attached to satisfy this item.

Sincerely,
 TriMedia Environmental & Engineering Services, LLC

To whom it may concern:

The purpose of this letter is to confirm that we, U.P. Engineers & Architects Inc. (NRC License 21/20275-01) located in Ishpeming Michigan, have purchased and received the following:

- Troxler Model 3440, serial 28563
- Troxler Model 3440, serial 28639

These nuclear gauges were received on July 1st, 2014 from TriMedia Environmental & Engineering Services.

Sincerely,

A handwritten signature in black ink, appearing to read "Erin Mallett". The signature is fluid and cursive.
