JOINT MOTION FOR EXTENSION
OF TIME TO REACH FINAL SETTLEMENT

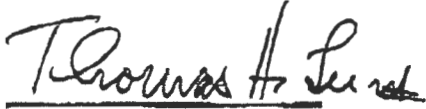

On June 23, 1998, the Atomic Safety and Licensing Board issued a Memorandum and Order staying the captioned proceeding pending settlement negotiations. The Board stated that if the parties were unable to reach final settlement during the week of July 6-10, they should so advise the Board.

The parties have made substantial progress in their negotiations but have not yet succeeded in reaching final settlement. The parties believe that additional time may well allow them to reach a final settlement in this matter.

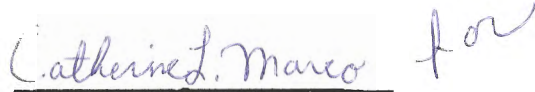

19297

WHEREFORE, Dr. Magdy Elamir and the NRC staff jointly move the Board for an extension of time until July 17, 1998, in which to reach a final settlement agreement.

Respectfully submitted,

Thomas H. Lee, II
Counsel for Magdy Elamir, M.D.
