Interoffice Memorandum

To: Yinghui Zhang, PhD
From: Robert McLin
President and Chief Executive Officer
Date: Wednesday, September 9, 2014
Subject: Delegation of Authority – Radiation Safety Officer

You, Yinghui Zhang, PhD, have been appointed Radiation Safety Officer and are now responsible for ensuring the safe use of radioactive materials as used under the Nuclear Regulatory Commission License. As provided for in the license, you are responsible for managing the radiation protection program; identifying radiation protection problems; initiating, recommending, and/or providing corrective action(s); verifying implementation of any such corrective action(s); stopping unsafe activities and practices; and ensuring compliance with all regulations pertaining to the Nuclear Medicine Program.

You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of radiopharmaceuticals and radioactive materials by employees who do not meet the necessary requirements and shutting down operations where justified by radiation safety. You are required to notify management of situations where staff is not cooperating and addressing radiation safety issues. In addition, you are free to raise issues directly with the United States Nuclear Regulatory Commission at any time.
