RE: Notification of Operational Changes in license # 06-17892-01 of New Milford Hospital, New Milford, CT.

To whom it may concern:

New Milford Hospital is expected to merge under a single State of CT, Dept. of Public Health, license with Danbury Hospital in the near future. Statements describing this change are as follows:

1. New Milford Hospital, Inc. ("NMH") will merge into The Danbury Hospital, and accordingly NMH will cease to be a legal entity. We will refer to the NMH campus as "The Danbury Hospital d/b/a New Milford Hospital." If you have additional questions about the merger, please contact Carolyn McKenna, Senior Vice President & General Counsel at 203-739-6868.
2. There are no changes in personnel or duties relating to the NMH licensed program. Contact information for New Milford Hospital remains the same.
3. Except for the change to single hospital licensure, there are no changes to location, facilities, equipment, or procedures that relate to the licensed materials program at NMH.
4. The surveillance program is to stay the same.
5. The NMH facility will remain fully operational and functioning in the same capacity and there will be no decommissioning.
6. As the materials license program at New Milford Hospital is not changing, all requirements and commitments will continue in effect for NMH.

If you have any questions, you may contact Lee Anne Zarger, M.S. at 860 210-5022 or Joseph Bargellini, M.D. at 860 210 5020.

Sincerely,

Thomas Koobatian, M.D.
