**SUBJECT: PAST DUE GENERAL LICENSE DEVICE ANNUAL REGISTRATION**

Dear TIM

This letter refers to the general license device annual registration packet sent to the above address on November 20, 2013 (copy enclosed). The U.S. Nuclear Regulatory Commission (NRC) requires annual registration of certain devices that are possessed under the general license issued in Section 31.5 of Title 10 U.S. Code of Federal Regulations [10 CFR 31.5(c)(13)(1)]. NRC's general license database indicates that you are in possession of a general license for a device requiring annual registration. Please complete and return the registration packet within 15 calendar days from the date of this letter. If you do not respond, NRC may take additional action which may include inspection of your facility and possible enforcement action.

Information about the general license registration program is available on the internet at <http://www.nrc.gov/materials/miau/miau-reg-initiatives/gen-license.html>.
