Balwant,

The Safety Evaluation Report related to the date extension of Milestone 8 for the South Texas Project Electric Generating Station Cyber Security Plan has been reviewed by two classifications officers and determined not to contain sensitive unclassified non-safeguards (security-related) information and can be released to the public.

Thank you,

Lance,

Attached is a Draft copy of the safety evaluation (SE) for the subject licensing action. The NRC staff considers the SE not to contain any security related information. Please review the SE and confirm that it does not contain any security related information.

Also, please provide the term for abbreviation MT&E (page 9).

Your response by October 1st will be highly appreciated.

Thanks.
