Subject: Request for clarification of possession limit

Discussion: In a letter dated August 12, 2014, Hospital Damas requested the addition of Pd-103 sealed sources for permanent brachytherapy. The current license possession limit for 35.400 materials is 3.5 curies. In the request they asked for 3 curies. I contacted Carmelo Perez to confirm what the correct total possession limit for all 35.400 materials should be. According to Sr. Perez, the total possession limit for 35.400 materials should be 3.5 curies. This would be an adequate limit for both I-125 and Pd-103.

Action Required: Complete the amendment
