Hi Phyllis,

Can you check on availability of Mr. Ed Stutzcage (Chapter 12 Technical Reviewer) to see if he can support a conference call on afternoon of either Monday, September 29 or Monday, October 6, 2014. The time for the call is on our regularly scheduled Monday afternoon calls (2-4pm). I think 1 hr should be plenty for our discussion.

Since it has been over a year since we had any technical discussion on Chapter 12, I think it is important for us to have this dialog so we are on the same page for closure of those remaining Chapter 12 technical issues. The discussion will include overview of the remaining Chapter 12 technical issues, schedule for Chapter 12 RAI submittals, purpose of having continuation of the 2013 audit in Nov/Dec 2014, and schedule for Chapter 12 closure package . I will transmit our PPT presentation to you prior to the call.

In the meantime, I wanted us to lock down the date and time.

Thanks for your support,

George Honma
