**Re: Request for amendment of License No. 06-00649-03 / 030-01242**

Middlesex Hospital is requesting the following amendment to our NRC license:

Please add the following individuals as Authorized Users to administer Xofigo (Radium-223): Neal Goldberg, MD and Anwar Khan, MD

Neal Goldberg, MD and Anwar Khan, MD are both currently listed as Authorized Users on NRC License 06-02388-01 (The Hospital of Central Connecticut, 100 Grand Street, New Britain, CT 06050). Their AU status allows them to administer Xofigo under 10 CFR 35.300 "Parenteral administration of any beta-emitter, or photon-emitting radionuclide with a photon energy less than 150 keV for which a written directive is required".

Should you have any questions regarding this amendment request, please feel free to contact me at the address listed below or George Pavlounis, AMP at 860-358-2100.

Sincerely,

Gary Havican
