Re: Supplement to Westinghouse Electric Company LLC Decommissioning Financial
Assurance Parent Guarantee (Toshiba Annual Report) (Docket Nos. 70-1151,70-36,
License Nos. SNM-1 107, SNM-33)

Dear Mr. Ryder:

In accord with its commitment to provide the NRC additional materials associated with its financial assurance obligations documented in Westinghouse Electric Company's (Westinghouse) Request for Exemption from 10 C.F.R. Part 30, Appendix A, Regarding Submittal of Documentation of Continued Eligibility to Use a Parent Company Guarantee (dated January 15, 2014), Westinghouse is providing a copy of the Toshiba Annual Report and Financial Review for Year Ending March 31, 2014. This material supplements Westinghouse's July 25, 2014 submission of documentation associated with the continued use of a parent guarantee from Toshiba to satisfy its decommissioning funding obligations.

Westinghouse believes that this satisfies the commitments it made in its January 2104 submission.

If you have any questions regarding this submittal, please do not hesitate to contact me.

Very truly yours,
