Dear Director Dudes:

Attached is my formal request to have the USNRC review Revision 12 of the ASNT document CP-IRRSP-1A, the program document for the *Industrial Radiography Radiation Safety Personnel* (IRRSP) radiation safety certification program. A copy of that document, as recommended for approval to the CRCPD by the CRCPD's G-34 Committee on Industrial Radiography, is also attached.

If you have any questions regarding this submittal, please feel free to contact me.

Respectfully,

James W. Houf, Senior Manager, ASNT Technical Services Dept.
