

The American Society for Nondestructive Testing, Inc.

24 September 2014

Ms. Laura Dudes
Director, Division of Materials Safety and State Agreements
Office of Federal and State Materials and Environmental Management Programs
US Nuclear Regulatory Commission
11545 Rockville Pike
Rockville, MD 20852

Dear Director Dudes:

I am writing to ask that the USNRC review and approve Revision 12 of the ASNT document CP-IRRSP-1A, *Industrial Radiography Radiation Safety Personnel Certification Practice*, which is being submitted under separate cover.

If you require additional information or have any questions regarding this request, please feel free to contact me at jhouf@asnt.org, or (614) 274-6003, ext. 212.

Respectfully,

James W. Houf, Senior Manager
ASNT Technical Services Dept.
