**Attachments:** EPZ LAR DRAFT RAIs.pdf

**SUBJECT:** BEAVER VALLEY POWER STATION, UNITS 1 AND 2 –DRAFT REQUEST FOR ADDITIONAL INFORMATION RE: LICENSE AMENDMENT REQUEST TO MODIFY EMERGENCY PREPAREDNESS PLAN REGARDING THE EMERGENCY PLANNING ZONE BOUNDARY (TAC NOS. MF4765 AND MF4766)

Dear Mr. Lashley:

By letter dated September 4, 2014, (Agencywide Documents Access and Management System Accession No. ML14247A512) FirstEnergy Nuclear Operating Company, submitted a license amendment request for the Beaver Valley Power Station, Units 1 and 2 (BVPS). The proposed amendment is being requested to align the 10-mile emergency planning zone boundary with that used by the three counties surrounding BVPS.

The NRC staff has reviewed the information submitted by the licensee, and based on this review, determined additional information is required to complete the assessment of the submitted information. Please find attached a DRAFT copy of the NRC staff's additional information request. These DRAFT RAIs are being sent to you to ensure that the questions are understandable, the regulatory basis for the questions are clear, and to determine if the information was previously docketed. Please notify me by Wednesday October 1, 2014, if you desire to hold a teleconference to discuss the questions. The NRC staff will request a response to the RAIs within 30 days of the formal NRC RAI transmittal letter.

Thank you,

*Jeffrey Whited*
