and Rulemaking Branch
Waste Confidence Directorate, NMSS

SUBJECT: REGULATORY HISTORY INDEX – FINAL RULE “CONTINUED
STORAGE OF SPENT NUCLEAR FUEL” (10 CFR PART 51)

Enclosed is the regulatory history index of those documents of central relevance to the subject rulemaking. For the documents referenced in the final rule, either the Agencywide Document Access and Management System (ADAMS) Accession number or the web address for the documents is provided. For those documents not referenced in the proposed rule, the ADAMS Accession number is provided for each document or package. The rulemaking would amend the regulations to provide a generic determination on the environmental impacts of continued storage of spent nuclear fuel. The title of the final rule was “Continued Storage of Spent Nuclear Fuel” and it was published in the *Federal Register* on September 19, 2014 (79 FR 56238).
