

Void Sheet

TO: License Fee Management Branch
FROM: Region 3
SUBJECT: VOIDED APPLICATION

Control Number: 584614

Applicant: Gibson County Coal, LLC

License Number: 13-32272-01

Docket Number: 030-35481

Date Voided: October 1, 2014

Reason for Void: Gibson County Coal, LLC requested that we add an additional Radiation Safety Officer to their NRC license. I contacted Chellsie Corder (Corporate RSO) and explained that it is NRC practice to only list one Radiation Safety Officer. I explained that the company may "internally" name an assistant RSO to help the RSO listed, but we only list one Radiation Safety Officer on the license. Corder stated that we could void their request at this time. They will resubmit a request if they decide to replace the current Radiation Safety Officer on the Gibson County Coal, LLC license.
