Dear Ms. Soto:

**Subject: Fully Executed Updated Schedules to AREVA Inc.'s (AREVA's) Standby Trust Agreement for Decommissioning Financial Assurance; License No. SNM-1227; Docket No. 70-1257**

Ref. 1. Letter, T. J. Tate to USNRC Document Control Desk, "Resubmittal of Updated Schedules A and B to AREVA Inc.'s (AREVA's) Standby Trust Agreement for Decommissioning Financial Assurance;" August 12, 2014.

Ref. 2. Letter, R. K. Johnson to T. J. Tate, "Approval of Updated Schedules A and B to AREVA NP Inc.'s Standby Trust Agreement for Decommissioning Financial Assurance;" August 25, 2014.

Via Reference 1, AREVA conveyed to the NRC three unexecuted copies of an update to the schedules associated with AREVA's Standby Trust Agreement for Decommissioning Financial Assurance. The three copies were signed by the NRC and returned to AREVA via Reference 2.

The three copies have since been signed by appropriate officials of AREVA and State Street Bank and Trust Company. Enclosed with this letter is one fully executed original for the NRC's files. The other two originals will be retained by AREVA and State Street Bank and Trust. A copy of this letter along with a copy of the updated schedules is also being conveyed to the NRC Document Control Desk for inclusion in AREVA's docket.

Full execution of this amendment to the Standby Trust Agreement will now allow finalization of AREVA's last triennial update to its Decommissioning Funding Plan, originally submitted to the NRC in January 2012 and approved by the NRC by letter of November 25, 2013. AREVA will now finalize that plan and convey it to the NRC.
