IA-97-068

Dear Dr. Moskowitz:

Enclosed is a subpoena for your appearance and testimony at the hearing regarding Aharon Ben-Haim to be held in Newark, NJ commencing on May 27, 1998. Your subpoena specifies a date and time when you are commanded to appear at the location stated. Please be at that location at the time indicated, so that the hearing may proceed without interruption. If your testimony will not be given until later that day or on some subsequent day, I will so advise you at that time. Failure or refusal to obey this subpoena may be referred under § 233 of the Atomic Energy Act of 1954, as amended, 42 U.S.C. 2281, to the United States Department of Justice to request a court order requiring your appearance and testimony. Failure to comply with such an order may be punishable by the court as contempt. If, for some reason beyond your control, you will be unable to appear at the date and time indicated, please promptly contact me at (301) 415-3052.

By separate letter, I will send you Standard Form 1157, Claim for Fees and Mileage of Witness. You should fill out this form and submit it to me after your appearance and testimony. The NRC will pay you a witness fee and will reimburse you for the costs of transportation between your place of business or residence and the location of the the hearing and any parking fees.

Sincerely,

Catherine L. Marco
