Subject: Additional Information needed for Renewal  
*(This is the title that will be used in ADAMS)*

Discussion: I contacted Mr. Schluter to inform him that we request up to date information about the licensee's program and would need a complete application to support the licensee's renewal request. I also informed him that we would need the renewal request signed by a management representative. I informed Mr. Schluter that he could use NUREG 1556 Vol. 7 to assist him with the application and requested that he send in the additional information within 30 days. I also explained that he could contact me if he had any questions during the process. Mr. Schluter asked if he was still in timely renewal. I explained that he was and that his current license will remain in effect until we have made a final determination regarding the renewal request.
