RE: Delegation of Authority – Mail Control No. 584603

Dear Mr. Tran:

Randall Amott has been appointed radiation safety officer and is responsible for ensuring the safe use of radiation. He is responsible for managing the Radiation Protection Program, identifying radiation protection problems, initiating, recommending, or providing corrective actions, verifying implementation of corrective actions, stopping unsafe activities, and ensuring compliance with regulations. He is hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations, when justified, to maintain radiation safety. He is required to notify management if staff does not cooperate and does not address radiation safety issues. In addition, he is free to raise issues with the U.S. Nuclear Regulatory Commission at any time.

Mr. Tran -

I have been out of the office this week and just got back.

Relative to the items in your September 9 letter:

1. Attached is my RSO Training Certificate
2. Correct # is 919 - 562 - 5826
3. Confirming that the new address you have listed in your letter is correct.
4. Delegation of Authority - The Executive who needs to sign this is traveling out of the country. I will supply you with that letter upon his return next week
