SUBJECT: CLOSURE OF INVESTIGATION (OI 4-2014-003)

Dear Mr. Palmisano:

This refers to an investigation conducted by the NRC's Office of Investigations regarding activities at San Onofre Nuclear Generating Station. The Office of Investigations initiated the investigation to determine whether the licensee, Southern California Edison Company's San Onofre Nuclear Generating Station, San Clemente, California, willfully failed to provide complete and accurate information in their response to the NRC's request for information and, if so, by whom.

Based on the evidence developed during the investigation, the allegation that Southern California Edison Company willfully failed to provide complete and accurate information in their response to the NRC's request for information was not substantiated. The NRC plans no further action related to the alleged wrongdoing and considers this investigation closed.

You should note that final NRC documents may be made available to the public under the Freedom of Information Act subject to redaction of information pursuant to the Freedom of Information Act. Requests under the Freedom of Information Act should be made in accordance with 10 CFR 9.23, Requests for Records. Information is accessible from the NRC's website at <http://www.nrc.gov/reading-rm/foia/foia-request.html#how>.
