TIMELY RENEWAL LETTER

September 29, 2014

David Schoep, RSO
New Mexico State University Environmental Health & Safety
1635 Standley Dr., Environment Management Facility
Las Cruces, NM 88003

License No. **AB151-42**

Subject: Timely Renewal Letter for Radioactive Material License #**AB151-42**-extension of expiration date **September 30, 2014**.

Dear: Mr. Schoep,

The New Mexico Environment Department hereby grants a timely renewal for Radioactive Material License #**AB151-42**, with expiration date of **September 30, 2014** pending review of documentation submitted for license renewal. An extension of the above mentioned Radioactive Material License is hereby granted for 90 days from the date of this letter.

You may continue doing business under your expired license which will be considered to be under a timely renewal filing.

Final action on this application will occur after the requirements of New Mexico Radiation Protection Regulations, 20.3.3 NMAC, have been satisfied. This letter will become a permanent part of your license file.

Should you have any questions, please contact me at (505) 476-8600.

Sincerely,

Santiago M. Rodriguez, Program Manager
Radiation Control Bureau
